AWARD—PROFESSIONAL ENGINEERS.

On 15th June, 1961, the Commonwealth Conciliation and Arbitration Commission (Wright and Gallagher JJ., Deputy Presidents, and Commissioner Portus) delivered judgment⁽¹⁾ in connection with the above-mentioned disputes and on 23rd June, 1961, made the following award.

⁽¹⁾ *Supra.* p. 233.

AWARD—PROFESSIONAL ENGINEERS.

[Wright and Gallagher JJ., Commr. Portus.]

Award order and prescribe:— 1—TITLE.

This award shall be known as "The Professional Engineers Award, 1961."

2—ARRANGEMENT.

The award is arranged as follows:—

Clause No.	Subject Matter.
1.	Title
2.	Arrangement
3.	Parties bound
4.	Area of operation
5.	Duration of award
6.	Definitions
7.	Salaries
8.	Basic wage
9.	Board of Reference
10.	Disclosure of qualifications
11.	Conditions of employment
12.	Reserved respondents

3—PARTIES BOUND.

This award shall be binding on The Association of Professional Engineers, Australia and its members and on the employers named in schedule "A" hereto and on the organizations of employers named in that schedule and their members in respect of the employment of Professional Engineers, as defined only, whether members of the said Association or not.

4—AREA OF OPERATION.

This award shall have effect throughout the Commonwealth.

5—DURATION OF AWARD.

This award shall operate from the beginning of the last pay period to commence in June, 1961, and shall remain in force until the 30th day of June, 1962.

6—DEFINITIONS.

- "Association" shall mean The Association of Professional Engineers, Australia,
 "Professional Engineering Duties" shall mean duties carried out by a person in any particular employment the adequate discharge of any portion of which duties requires qualifications of the employee as (or at least equal to those of) a Graduate member of The Institution of Engineers, Australia.
 "Professional Engineer" shall mean an adult male person qualified to carry out professional engineering duties as above defined. The term "professional engineer" shall embrace and include "qualified engineer" and "experienced engineer" as hereinafter defined.
 "Qualified Engineer" shall mean a professional engineer other than an "experienced engineer" as hereinafter defined, that is, it shall mean a person who is or is qualified to become a graduate member of The Institution of Engineers, Australia.
 "Graduate" shall mean a qualified engineer who is the holder of a university degree (4 or 5 year course) recognized by The Institution of Engineers, Australia.
 "Experienced Engineer" shall mean a professional engineer with the under-mentioned qualifications in any particular employment the adequate discharge of any portion of the duties of which employment requires qualifications of the employee as (or at least equal to those of) an Associate member of The Institution of Engineers, Australia.

The aforesaid qualifications are as follows:—

- (a) that he has attained the age of 25 years, and
- (b) (i) that he is an Associate member of the said Institution, or
 - (ii) that he, having graduated in a four year or a five year course at a University recognized by the said Institution, has had four years experience on professional engineering duties since becoming a qualified engineer, or
 - (iii) that he, not having so graduated, has had five years of such experience.

AWARD—PROFESSIONAL ENGINEERS.

Wright and Gallagher JJ., Commr. Portus.]

7—SALARIES.

For an employment involving the performance of professional engineering duties—

- (i) Qualified Engineer—A qualified engineer who is not a graduate shall be paid a minimum salary of £1,400 per annum, and a qualified engineer who is a graduate shall be paid a minimum salary of £1,540 per annum.
- (ii) Experienced Engineer—An experienced engineer shall be paid a minimum salary of £2,200 per annum.

8—BASIC WAGE.

The salaries prescribed in this award are based upon a basic wage of £720 per annum being the current amount prescribed by the Commission on the six capital cities basis.

9—BOARD OF REFERENCE.

(a) The Commissioner for the time being assigned to the industry of Professional Engineers pursuant to section 26 (1) of the Act shall have power to appoint such Board or Boards of Reference as he may deem expedient from time to time, consisting either of himself alone or of another person nominated by him, or of himself or such other nominee as Chairman together with such persons being professional engineers as the Chairman may nominate from time to time. Such Board or Boards of Reference shall have the function of determining—

- (i) whether the adequate discharge of any portion of the duties of any particular employment requires qualification of the employee as (or at least equal to those of) a graduate of The Institution of Engineers, Australia, and
- (ii) whether any professional engineer who it is claimed is an "Experienced Engineer" is in his particular employment performing professional engineering duties the adequate discharge of any portion of which requires qualifications of the employee as (or at least equal to those of) an Associate member of The Institution of Engineers, Australia.

(b) Where the aforesaid Commissioner appoints persons other than himself (or a substitute chairman) to be members of a Board of Reference he shall appoint an even number of such persons either of his own volition or upon the nomination of such organizations or persons as he shall specify. In such case a quorum of a Board shall consist of the chairman and one half of the nominated members of such Board.

(c) When a Board includes persons other than the chairman decisions of the Board shall be by majority vote if necessary: and if the voting on any question shall be equal such questions shall be decided by the vote of the chairman.

(d) The procedure of a Board of Reference, including the times and places of meeting, shall be in the entire discretion of the Commissioner or his nominee.

(e) Where the Commissioner appoints a person other than himself as a Board of Reference or chairman of a Board of Reference there shall be an appeal to the Commissioner from a decision of the Board of Reference with the leave of the Commissioner.

(f) Liberty is reserved to any party to the award to apply to the Commissioner in respect of this clause.

10—DISCLOSURE OF QUALIFICATIONS.

(a) A professional engineer who is employed in or who is an applicant for employment covered by this award shall if and when required so to do by his employer or an employer to whom he has applied for employment produce to his employer or that employer written evidence that he possesses or has acquired the qualifications of qualified engineer or experienced engineer (as the case may be).

(b) Where a professional engineer has failed to produce to his employer or to an employer to whom he has applied for employment written evidence that he possesses or has acquired the qualifications of qualified engineer or experienced engineer (as the case may be) and subsequently claims to be entitled to payment at the rates prescribed by this award for his employment by that employer in respect of any period during which he has failed to produce that evidence it shall be a defence to the employer if the employer establishes that during the said period the employer did not know and had no reason to believe that the professional engineer possessed or had acquired the qualifications of qualified engineer or experienced engineer (as the case may be).

AWARD—PROFESSIONAL ENGINEERS.

[Wright and Gallagher JJ., Commr. Portus.]

11—CONDITIONS OF EMPLOYMENT.

This award shall not affect the operation of any other award or certified agreement now or hereafter in force under the *Conciliation and Arbitration Act* or any award or any other agreement now or hereafter in force under State law except to the extent that the salaries fixed by this award exceed the salaries prescribed by such other award or agreement.

12—RESERVED RESPONDENTS.

The disputes so far as they concern the employers and organizations named in schedule "B" hereto are reserved for further consideration upon the application of any party concerned.
